Special Dividend Declared

TORONTO, May 16, 2016 — Brookfield Asset Management Inc. ("Brookfield") (TSX: BAM.A, NYSE: BAM, Euronext: BAMA) today announced that it will effect the distribution of units in Brookfield Business Partners L.P. ("BBU") to holders of Brookfield's Class A and B limited voting shares (the "Shares"), which was first made public in October 2015. BBU will be the primary vehicle through which Brookfield will own and operate the business services and industrial operations of its private equity business group on a global basis.

"Brookfield Business Partners will complete the fourth pillar of our strategy to consolidate Brookfield's major business units into public market affiliates, and will appeal to investors looking for long-term growth and direct access to many of the businesses within Brookfield's private equity group," said Cyrus Madon, the CEO of BBU and a Senior Managing Partner of Brookfield.

On June 20, 2016, shareholders of record as of June 2, 2016 will receive one BBU unit for every 50 Shares of Brookfield, or 0.02 BBU units for each Share (see the "When Issued" and "Due Bill" Trading paragraph below for further information about the trading of BBU and Brookfield ex distribution). The dividend is currently estimated to be valued at \$0.50 per Brookfield Share, or approximately \$500 million in the aggregate. BBU has received conditional approval to list its units on the New York Stock Exchange (the "NYSE") and the Toronto Stock Exchange (the "TSX") under the symbols "BBU" and "BBU.UN," respectively.

Shareholders will receive a cash payment in lieu of any fractional interests in the BBU units. Brookfield will use the volume-weighted average trading price of the BBU units for the five trading days immediately following the spin-off to determine the value of the BBU units for the purpose of calculating the cash payable in lieu of any fractional interests.

Immediately following the special distribution, based on the estimated value of BBU, shareholders of Brookfield will own an approximate 22% limited partnership interest in BBU and Brookfield will retain an approximate 78% limited partnership interest, on a fully diluted basis. Brookfield will also hold the general partner interest in BBU.

It is anticipated that BBU's distribution policy will be to make quarterly cash distributions equal to \$0.0625 per unit, or \$0.25 per unit on an annualized basis. The distribution amount is not expected to grow as BBU intends to reinvest its capital. BBU anticipates that its first quarterly distribution will be paid on September 30, 2016, subject to board approval, and is expected to include a pro-rated distribution for the period between June 20, 2016 and June 30, 2016.

"When-Issued" and "Due Bill" Trading

The NYSE and the TSX have determined to implement "due bill" trading on "BAM" and "BAM.A" for the distribution from May 31, 2016 until June 17, 2016.

Brookfield expects units of BBU and shares of Brookfield ex-distribution (without the rights to receive BBU units in the spin-off) to begin trading on a "when-issued" basis on May 31, 2016 on the NYSE under the symbols "BBU WI" and "BAM WI", respectively, and on the TSX under the symbols "BBU.UN" and "BAM.W," respectively.

Brookfield will continue to trade "regular-way" on the NYSE and the TSX under the symbols "BAM" and "BAM.A," respectively. **Any holders of "BAM" or "BAM.A" shares who sell their shares from May 31, 2016 until June 17, 2016 will also sell their entitlement to the units of BBU that will be distributed in the spin-off.**

BBU is expected to begin "regular-way" trading on the NYSE and the TSX on June 20, 2016 under the symbols "BBU" and "BBU.UN". "BAM" and "BAM.A" will commence trading ex-distribution on June 20, 2016.
