

Brookfield

JAN 12 2015

Toronto, Ontario January 12, 2015 - Brookfield Asset Management Inc. (NYSE: BAM) (TSX: BAM.A) (Euronext: BAMA) ("Brookfield") today announced the pricing of its previously announced public offering of notes due 2025. Due to investor demand, the size of the offering was increased from US\$350 million to US\$500 million. The notes will have an interest rate of 4.0%. The net proceeds of the offering will be used for general corporate purposes. The offering is expected to close on or about January 15, 2015.

The notes will be offered under Brookfield's existing base shelf prospectus filed in the United States and Canada. The offering will be made only by means of a prospectus supplement relating to the offering of the notes. You may obtain these documents for free on EDGAR at www.sec.gov or on SEDAR at www.sedar.com. Alternatively, copies can be obtained from:

Forward-Looking Statements

Note: This news release contains "forward-looking information" within the meaning of Canadian provincial securities laws and "forward-looking statements" within the meaning of Section 27A of the U.S. Securities Act of 1933, as amended, Section 21E of the U.S. Securities Exchange Act of 1934, as amended, "safe harbor" provisions of the United States Private Securities Litigation Reform Act of 1995 and in any applicable Canadian securities regulations. The words "will", "expected" and derivations thereof and other expressions that are predictions of or indicate future events, trends or prospects and which do not relate to historical matters identify forward-looking statements.

Forward-looking statements in this news release include statements with respect to the offering and the use of proceeds from the offering described in this news release. Although Brookfield Asset Management believes that such forward-looking statements and information are based upon reasonable assumptions and expectations, the reader should not place undue reliance on forward-looking statements and information as such statements and information involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the company to differ materially from anticipated future results, performance or achievement expressed or implied by such forward-looking statements and information.

Factors that could cause actual results to differ materially from those contemplated or implied by forward-looking statements include:

economic and financial conditions in the countries in which we do business; the behaviour of financial markets, including fluctuations in interest and exchange rates; availability of equity and debt financing; and other risks and factors detailed from time to time in the company's Annual Report on Form 40-F filed with the Securities and Exchange Commission as well as other documents filed by the company with the securities regulators in Canada and the United States.

We caution that the foregoing list of important factors that may affect future results is not exhaustive. When relying on our forward-looking statements to make decisions with respect to Brookfield Asset Management, investors and others should carefully consider the foregoing factors and other uncertainties and potential events. Except as required by law, the company undertakes no obligation to publicly update or revise any forward-looking statements or information, whether written or oral, that may be as a result of new information, future events or otherwise.
