About Brookfield Corporation

Brookfield Corporation (NYSE: BN, TSX: BN) is focused on deploying its capital on a value basis and compounding it over the long term. This capital is allocated across its three core pillars of asset management, insurance solutions and its operating businesses. Employing a disciplined investment approach, we leverage our deep expertise as an owner and operator of real assets, as well as the scale and flexibility of our capital, to create value and deliver strong risk-adjusted returns across market cycles. With significant capital underpinned by a conservatively capitalized balance sheet, Brookfield Corporation is well positioned to pursue significant opportunities for growth.
