

Brookfield Closes €1.14 Billion European Core-Plus Real Estate Fund

OCT 27, 2020

BROOKFIELD, NEWS, Oct. 27, 2020 (GLOBE NEWSWIRE) -- Brookfield Asset Management Inc. ("Brookfield") (NYSE: BAM, TSX: BAM.A) today announced the closing of its first European core-plus real estate fund, Brookfield European Real Estate Partnership ("BEREP" or the "Fund"), with total equity commitments of €1.14 billion.

Reflecting strong investor demand, BEREP attracted total capital commitments exceeding the original €1 billion fundraising target. The Fund's investors include a mix of public and private pension plans, and insurance companies.

"We are grateful for the strong support we have received from our cornerstone investors," said Zachary Vaughan, Head of European Real Estate at Brookfield. "We continue to see an active pipeline of opportunities for high-quality European assets with long-term growth potential that can benefit from Brookfield's local operating expertise."

To date, the Fund has invested over €50 million of equity in its first investment, 42 rue de Paradis, a high-quality office building in Paris.

Brookfield Asset Management

Brookfield Asset Management is a leading global alternative asset manager with approximately US\$550 billion of assets under management across real estate, infrastructure, renewable power, private equity and credit. Brookfield owns and operates long-life assets and businesses, many of which form the backbone of the global economy. Utilizing its global reach, access to large-scale capital and operational expertise, Brookfield offers a range of alternative investment products to investors around the world—including public and private pension plans, endowments and foundations, sovereign wealth funds, financial institutions, insurance companies and private wealth investors.

Brookfield Asset Management is listed on the New York and Toronto stock exchanges under the symbols BAM and BAM.A, respectively.

Forward-Looking Statements

This communication contains "forward-looking information" within the meaning of applicable securities laws and regulations. Forward-looking statements include statements that are predictive in nature or depend upon or refer to future events or conditions, include statements regarding our operations, business, financial condition, expected financial results, performance, prospects, opportunities, priorities, targets, goals, ongoing objectives, strategies and outlook, as well as the outlook for North American and international economies for the current fiscal year and subsequent periods, and include words such as "expects," "anticipates," "plans," "believes," "estimates," "seeks," "intends," "targets," "projects," "forecasts," "likely," or negative versions thereof and other similar expressions, or future or conditional verbs such as "may," "will," "should," "would" and "could."

Although we believe that our anticipated future results, performance or achievements expressed or implied by the forward-looking statements and information are based upon reasonable assumptions and expectations, the reader should not place undue reliance on forward-looking statements and information because they involve known and unknown risks, uncertainties and other factors, many of which are beyond our control, which may cause our actual results, performance or achievements to differ materially from anticipated future results, performance or achievement expressed or implied by such forward-looking statements and information.

Factors that could cause actual results to differ materially from those contemplated or implied by forward-looking statements include, but are not limited to: risks incidental to the ownership and operation of real estate properties including local real estate conditions; the impact or unanticipated impact of general economic, political and market factors in the countries in which we do business, including as a result of the recent global pandemic caused by a novel strain of coronavirus, COVID-19; the ability to enter into new leases or renew leases on favorable terms; business competition; dependence on tenants' financial condition; the use of debt to finance our business; the behavior of financial markets, including fluctuations in interest and foreign exchange rates; uncertainties of real estate development or redevelopment; global equity and capital markets and the availability of equity and debt financing and refinancing within these markets; risks relating to our insurance coverage; the possible impact of international conflicts and other developments including terrorist acts; potential environmental liabilities; changes in tax laws and other tax related risks; dependence on management personnel; illiquidity of investments; the ability to complete and effectively integrate acquisitions into existing operations and the ability to attain expected benefits therefrom; operational and reputational risks; catastrophic events, such as earthquakes, hurricanes or pandemics/epidemics; and other risks and factors detailed from time to time in our documents filed with the securities regulators in Canada and the United States. In addition, our future results may be impacted by risks associated with COVID-19, and the related global reduction in commerce and travel and substantial volatility in stock markets worldwide, which may result in a decrease of cash flows and impairment losses and/or revaluations on our investments and real estate properties, and we may be unable to achieve our expected returns.

We caution that the foregoing list of important factors that may affect future results is not exhaustive. When relying on our forward-looking statements or information, investors and others should carefully consider the foregoing factors and other uncertainties and potential events. Except as required by law, we undertake no obligation to publicly update or revise any forward-looking statements or information,

whether written or oral, that may be as a result of new information, future events or otherwise.
