Dividend Reinvestment Plan

Registered holders of Class A Common Shares who are resident in Canada may elect to receive their dividends in the form of newly issued Class A Common Shares at a price equal to the weighted average price at which the shares traded on the Toronto Stock Exchange during the five trading days immediately preceding the payment date of such dividends.

The Dividend Reinvestment Plan allows current shareholders to acquire additional Class A Common Shares in the company without payment of commissions. Further details on the Dividend Reinvestment Plan and a Participation Form can be obtained from our Toronto office, our transfer agent or from our web site.
